Congratulations on your scholarship! To indicate your acceptance, please sign this form and return it per the instructions below.

1. Fields of study covered by this scholarship are architecture, engineering, construction, and related disciplines, as defined by the “**Acceptable Majors for Scholarship Awards**” list.

3. If the student is enrolled in a qualified five-year program, the student may apply for an additional fifth payment by submitted a disbursement form and associated information. The Board will consider these applications on a case-by-case basis, and awards will be subject to the availability of funds.
4. For the student’s first year, the student shall provide ACE with official confirmation of the student’s enrollment and his/her selected major.
5. For each year thereafter, the student shall provide, in addition to the information requested above, a copy of his/her previous semester’s transcript.
